

# Rocky River Arbor Day

## Tree Benefit Tree Tag Hunt – 2018

Did you know that the benefit of a tree goes way beyond how attractive it is? Join us in uncovering the hidden value of trees by finding specially “tagged” trees in our public parks. Information on the tags is from U.S. Forest Service research.

- The City of Rocky River has put tags on 30 trees in Rocky River Parks – see the map for park locations.
- Use this form to write down the tree’s name; it is found on the tag. Match the tree tag number to the number below and fill in the tree name (found on the tag).
- Don’t forget to turn the tag over for more details.
- Turn in this form at the Civic Center (21016 Hilliard Blvd) by **4pm on May 13<sup>th</sup>** to be eligible for Arbor Day prizes.
- **Entries that list the correct tree name next to the tag # for 15 trees will be eligible for prizes.**
- Winning entries will be drawn on **May 14<sup>th</sup>** - **please make sure your contact information is on the form.**
- The first 15 entries drawn will receive an Arbor Day prize. (15 tree names must be correct).
- One **Grand Prize** will be drawn from all entries with 30 correctly identified trees next to the correct tag #.
- One form per family.
- For more information, contact Rich Snyder, City Arborist at 440-356-5630 or by email at [rsnyder@rrcity.com](mailto:rsnyder@rrcity.com)
