MAYOR'S REPORT:

The Mayor reported that Struhar and Shoreland waterline projects are nearing completion with Story Road close behind. This information will be on the construction update on Friday.

The Mayor also reported that the administration was very happy with the street repaving bids that were received on Friday. The bids are being reviewed with the apparent low bidder being Shelly Construction at \$691,000 about \$208,000 under the engineer's estimate. This project is in the budget. Shelly Construction repaved Detroit Road and are a pre-qualified ODOT contractor. The streets being repaved are Eastlook, Scenic, Eldora, Archwood, Marlys, Shoreland, the entrance to Old Detroit and Wynwood. Streets having a concrete full depth repairs with an asphalt overlay on Middlepost, Westhaven, Kingsbury and Harwich Court curb work. The Mayor requested that the street paving ordinance be passed prior to the August recess.

The demolition of the First Merit Bank building happened last week making way for a Valvoline

Oil Change business at that location.

The City of Rocky River is submitting waterline replacement and rehabilitation work to Cleveland Water for the following streets, which will also include paving at the same time: Fairhill, Nelson Park, Spencer and Erie from Elmwood to Detroit Road.

The Recreation Department is doing renovations to Elmwood Park including restrooms and other renovations at Linden Park.

The Mayor mentioned last week during the Finance Committee Meeting that the ice rink has not been impacted by COVID due to its season. Work has started regarding the opening of the rink concerning safety and financial considerations. The administration will share its findings with Council and the Parks and Recreation Commission.

The Mayor has received a few complaints regarding the condition of Bradstreet's Landing. The Service Department cleans the park three times weekly with one of those days being Friday. The Mayor said the Service Department is also there other times during the week. There are volunteer groups that also help maintain the beach. The Service Department could be at Bradstreet's Landing a couple times a day especially with the waves bringing debris and dead fish onto the beach. On most days the Mayor feels the residents are pleased with that effort.

Revolutionary Pie, a Beatles Tribute Band, played at Rocky River City Hall Gazebo for the first of the Summer Concert Series. There were about 200 people in attendance with social and physical distancing along with wearing masks. With the success of last evening's concert, the city will move ahead with planning other concerts.

The Mayor received a notification from Cuyahoga County regarding the Board of Health complaints for businesses where individuals are not wearing masks. Either employees are not wearing masks or clients or customers are not wearing masks. The complaints go to the Board of Health and the Board of Health will communicate with these businesses while this mandate is in place. If Council receives complaints or concerns from residents, please direct them to the County Board of Health.

The Mayor shared the response rates concerning the 2020 Census. The National Response Rate is 62%, the State is at about 66.5% and the City of Rocky River is at 78.2%.

- Mr. O'Donnell would be interested in reading the Health Department Report. The Mayor will forward that email.
- Mr. Furry had a resident ask when Mitchell would be repaved. Director Snyder responded that there are some sewer repairs slated for Mitchell with repaving probably in 2021. The Mayor also asked Director Snyder to see where Mitchell is located on the ranking schedule for repaving.

LAW DIRECTOR BEMER: Mr. Bemer stated that there will be a meeting next Tuesday, July 21st with the County Planning Commission and the Rocky River Planning Commission to recommence their efforts to review the Development Code. It will be a zoom meeting beginning at 6:00 p.m. Let Kate Straub know if you are interested in joining the meeting.

AN EMERGENCY ORDINANCE AUTHORIZING THE MAYOR AND SAFETY SERVICE DIRECTOR TO PURCHASE PRINTING SERVICES FOR THE CITY OF ROCKY RIVER FROM ADMIRAL PRODUCTS, INC. FOR TWO (2) YEARS
1st READING

Mr. Shepherd said this was put out to bid and the competing company was actually the low bidder by approximately \$3,000 but there were issues of the completeness of their bid. Based upon this, the Admiral bid was thought to be the best bid. The bid did increase about \$14,000 due to being put out to bid. Mr. Shepherd said that this will be read three times.

- Mr. Snyder explained that Minutemen Press was the apparent low bidder, but viewing their bid package found exclusions in the front of their packet. The city sent out a spreadsheet to everyone with basic descriptions. It was stated that there were samples available to view to help with the bid process. Minutemen Press excluded six items that

were based on the description in the spreadsheet and may be higher in price than their quoted amount. After discussion with Director Thomas and Law Director Bemer, it was concluded that this was not an acceptable way to submit pricing and their bid was rejected.

The Mayor added that the company was notified and it was explained to them why it was not a sufficient bid. This company does not have a lot of experience with this, and Director Snyder took the time explaining why this was not a bid that could be accepted in the public arena.

The city has not heard back as the builder was waiting to hear back from the insurance company. The Mayor will check with the Building Department tomorrow regarding this question.
